PROFILE

Direct-to-consumer Product Manager with 5+ years across Brazil and Europe, shipping consumer-facing products to millions of daily users with rigorous testing and release discipline. End-to-end ownership from UX/UI and roadmap to launch, driven by data and an early-adopter approach to AI. Multilingual and multi-market, Rio-based and a lifelong sports fan.

WORK EXPERIENCE

Product Manager at Stone Co.

June 2025 – Present

Rio de Janeiro, Brazil – On-site

- One of Brazil's largest fintechs (NYSE: STNE), serving a multi-million DAU consumer base
- Lead PM of the Product Journeys squad, owning Stone's direct-to-consumer financial experiences end-to-end
- Ship credit card, Pix, investments and banking features to a high-traffic consumer base with rigorous testing and release accuracy
- Define KPIs and use behavioural analytics (Amplitude, PostHog, FullStory) and user research to prioritise the roadmap

Lead Instructor at Product Heroes

May 2025 – Present

Remote (Italy)

- Designed and teach "AI for Product Builders," a hands-on masterclass at Italy's largest PM community (9,000+ members) — 80+ professionals trained across 4 seasons
- 5-module, 20-hour curriculum taking participants from idea to shipped product: design, frontend, backend, APIs and AI integration

Product Manager at iBanFirst S.A.

Oct. 2022 – May 2025

Paris, France – On-site

- Led end-to-end UX/UI and product development of the web platform and mobile app, serving customers across 12 European markets
- Built an AI Localization Platform managing 10,000+ keys across country and language markets, cutting translation from weeks to hours
- Regular presentations to senior stakeholders and 200+ colleagues

Strategy & Consulting Intern at Accenture Innovation Center

Feb. – Aug. 2022

Milan, Italy – On-site

- Market analysis, startup scouting, emerging tech research
- Projects: payment risk management, crypto acceptance, E-POS strategy

Earlier Experience

2017 – 2021

- Product & innovation internships at Stone and Startupbootcamp; early startup role at Soul
